Title: NARRATIVE FOR PATROL DOUGLAS M HARRINGTON

Date Entered: 04/09/2018

Author: HARRINGTON, DOUGLAS M

Approving Officer: ASHWORTH, DANIEL R

On 04/09/2018 at just after midnight I, Ofc. Harrington (306), responded to 472 Power Rd. 1st flr. for a domestic assault. Dispatch advised that a male caller stated that he had been assaulted by his pregnant ex-girlfriend. Upon my arrival I observed a female walking on the sidewalk around the corner from 472 Power Rd. As I exited my vehicle, she turned around and then slowly began walking toward me. She stated to me that she had been inside the apartment and was going to leave before I arrived, but decided not to because she knew her boyfriend had called the police and she wanted to give her side of the story. This female was identified as Clarissa L. Forzese. Forzese stated to me that her boyfriend, [REDACTED] had been out drinking. She said that he came home drunk and started yelling at her and calling her a prostitute. She said that she knew [REDACTED] was going to tell me that she hit him, but that she did so in self defense. She said that after [REDACTED] called her a prostitute, he spit at her. She said that she responded by hitting him to defend herself, and then called her mother to ask if she could stay with her. She then left the residence and was walking to her car when she saw me arrive. I entered the residence and spoke with [REDACTED]. While speaking with him, I noted his speech, eyes, and breath were not indicative of intoxication. [REDACTED] spoke in a normal tone. He told me that he has had an on and off relationship with Forzese, who has been living with him and is currently a few weeks pregnant with his child. He said that today, he told her that he was going out to spend time with his sister and father. He said that she responded by yelling at him, telling him not to go, and accusing him of cheating on her. He said that he ignored her demands that he not go out, and left anyway. He said that upon returning, Forzese began screaming at him and telling him to leave and not come inside the apartment. He said that he entered anyway, as he lives there. He said that he attempted to go to the bedroom to sleep, when she ran into the bedroom ahead of him and slammed the door on his foot. He said that when he opened the door and went into the bedroom, she continued screaming at him and began raising his fists at him. He said that he turned and put his hands over his face, at which time she struck him in the back of the head with closed fists, as well as scratching his neck with her nails. He then stated that he told her he was calling the police, at which point she called her mother and asked to stay with her. Forzese then left the apartment and he called the police.

[REDACTED] stated that the back of his neck was sore as a result of the incident. I observed that [REDACTED] had red marks on the back of his neck, including a scratch several inches long. I took photographs of these injuries. [REDACTED] did not require medical treatment. I informed [REDACTED] of Forzese's statement that he had spit at her. He responded by saying that he yelled and screamed at her as she assaulted him, but did not strike or spit at her. I surveyed the scene and did not observe any damaged property or obvious signs of a struggle. He said that she has been extremely controlling and possessive toward him and constantly accuses him of cheating on her. [REDACTED] mother, [REDACTED] arrived on scene. Fiorenzano told me that she has been concerned for her son's safety because of Forzese's unpredictable impulsive behaviors and possessiveness over him. An IMC check showed that both Forzese and [REDACTED] have been recently arrested for domestic violence cases against each other. These charges have since been dismissed. A RONCO check showed that a protection order had been entered 11/17/2017 with an expiration date of 12/07/2018 listing [REDACTED] as the defendant and Forzese as plaintiff. There was also an order entered 12/11/2017 with no expiration date listing Forzese as the defendant and [REDACTED] as the plaintiff. Dispatch contacted state BCI and informed me that both orders have been vacated and are no longer in effect. As a result of my investigation,

I determined that Forzese was the primary physical aggressor in this incident. She was taken into custody without incident. She was transported to the station by Ofc. Magnussen/Torres (309). Bowyer completed a written statement. A DV/SA form was completed for this incident.

On 07/20/18 at 1230 hours I Officer Karalis and Officer Dolan (Car 101) responded to the area of 249 Roosevelt Ave for a domestic disturbance between a shirtless male and a female. Other officers were already on scene. Upon our arrival I observed a male with his shirt off in the parking lot of 249 Roosevelt Ave later to be identified as Scott Medeiros. informed that him and his girlfriend Alisha Fontaine had been drinking all morning when a verbal argument began over alcohol. stated that Fontaine became upset and the argument turned physical. stated that Fontaine began to slap him, strike him, wrap her arms around his neck, and hanging on his back. I observed redness to neck where Fontaine was striking/hanging from. continually asked Officer Dolan and I not to "lock her up" stating that she is just "drunk" and he loves her. After being informed of the circumstances I spoke to Fontaine. Fontaine who was located behind the Pawtucket Police Main Station after making entry into the river, stated that and her had been drinking all morning. Fontaine stated that she had been drinking and was just trying to run to funeral because her grandfather had just passed. Fontaine continually stated that she did not want to get in trouble for the altercation. I then returned back to where I attempted to gather more information. Pawtucket Control verified that both Fontaine and were negative for wants/warrants and RONCO's. Medeiros stated multiple times "please dont lock her up", and that he "didnt want to press charges and that I (Officer Karalis) couldn't arrest her". I informed that due to the domestic nature of the incident an

arrest was going to be made. then began to be uncooperative stating that he was never touched by the Fontaine. Fontaine was then put into handcuffs and placed into the back of my cruiser (Car 101) where she was transported to Pawtucket Police Main Station while (Car 115) Officer Choquette followed. Upon our arrival back to Pawtucket Police Main Station, Officer Butlin responded to conduct a search incident to arrest along with Officer's Correia and Rose to begin the processing. Title: NARRATIVE FOR PATROL MATTHEW MELLO

Date Entered: 08/04/2018

Author: MELLO, MATTHEW

Approving Officer: SPTELUNAS, PETER A

On Saturday, August 4, 2018 at approximately 1800 hours, I, Officer Mello (Car 207) was conducting routine patrol in my marked Pawtucket Police Department vehicle on Montgomery St. While traveling south on Montgomery St. towards Exchange St., my attention was drawn to a male and female sitting on a cement wall at the corner of Montgomery St. and Grant St. I immediately recognized the male as Scott Medeiros, who I have had numerous contacts with in my capacity as a Pawtucket Police Officer. It is of note that Inspector Cruz had sent a department wide email on 7/31/2018 regarding an active affidavit warrant for Medeiros (18-444-WA) out of this department. With this knowledge, I requested the Control Center conduct an NCIC/RILETS query of Medeiros. I subsequently turned my marked patrol vehicle around and met with Medeiros and the female, later positively identified as on Grant St. As I exited my marked patrol vehicle, Medeiros was now standing up and approaching me. He immediately pleaded with me not to arrest him for his outstanding warrant. While he and I

were engaged in dialogue, the Control Center confirmed Medeiros' warrant. Medeiros was taken into custody without incident. Medeiros was searched incident to arrest. Refer to 18-2089-AR for more information. Officer Torres (Car 204A) and Officers Imondi and Letourneau (Cruiser 209) arrived on scene. Custody of Medeiros was turned over to Officers Imondi and Letourneau who was transported to the Main Station for processing. I conducted an NCIC/RILETS query of wants and warrants for which returned negative. She was released from the scene without incident.

On 08/24/2018 at approximately 1610 hours I, Ofc. Juckett along with Ofc. M. Dolan (Cruiser 209) responded to 12 Nickerson St. to assist Ofc. Mello (Car 206) along with property management who was on scene. Several individuals had been taken into custody due to warrants and trespasses (18-2275-AR, 18-2276-AR, 18-2277-AR). During the course of the investigation on scene, Alisha Fontaine had been instructed to leave the premises by Ofc. Mello per the request of the property manager, and she was formally trespassed. Fontaine refused to leave the location. While I went into my marked police cruiser to continue the investigation, Fontaine approached my vehicle and positioned herself in between the open cruiser door and myself. She then began to lean into my car to talk with the prisoner, who was in the back seat of my marked cruiser. Fontaine was warned several times to back away from my cruiser, however she continued to disobey my orders to back away from me. Due to this, I exited the cruiser to move her away from me and the vehicle. Fontaine continued to attempt to push through me into the cruiser, and was placed under arrest for Obstruction, as well as for Trespassing after being warned to leave. Fontaine was handcuffed and secured in the rear of Cruiser 206 (Ofc. Mello) for transport to the Pawtucket Police Department Cell Block for Processing. She was transported without incident. Once in Cell Block, she was viewed by Lt. Maciel, searched (Ofc. Calabro), fingerprinted, photographed, processed, and secured in Cell 8 without incident. At approximately 1900 hours, she made her phone call. She did not appear to have any physical injuries.

On Friday, August 23, 2018 at approximately 1612 hours, I, Officer Mello (Car 207) along with Officers M. Dolan and Juckett (Cruiser 209) responded to 12 Nickerson St. to assist the property manager with the removal of an abandon vehicle. It is of note that during Roll Call, we were apprised by Sgt. Ashworth to respond to the location to assist the property manager due to the recorded history of narcotics and violence that persist on the property. Upon arrival, we met with the property manager, who informed us that Sterry St. Towing would be responding to the location to remove a yellow Hummer H2 and an attached recreational camper from the property. also wished to conduct a check of the residence and respective apartments to check on the living conditions as well as issue No Trespass Orders to non-residents. We subsequently made our way to apartment #1, and continued to knock and announce ourselves as property management and Pawtucket Police. We were granted entry into the apartment by tenant. Inside of the apartment, I met with Alisha Fontaine,

It is of note that I am familiar with all parties on scene aside for Perry, and know them all to have substantial narcotics addiction. Due to these parties not residing in the apartment or the building, they were requested to leave by also apprised these parties individually of the No Trespass Warnings and the repercussions if they were to be found on the property. While waiting on the front steps of the residence, ensuring that all parties left, I noticed that

Fontaine refused to obey my details of the trespass order and that she was to vacate the property immediately. Fontaine continuously came back and forth to Officer Juckett and myself, talking incoherently about topics unrelated to our business on the property. I told Fontaine numerous times to leave the property and again apprised her of the trespass order. Due to

wishing to check the conditions of the remainder of the property, my attention diverted away from Fontaine for several minutes. When I returned my attention back to her, she was still on the front steps, speaking with [REDACTED] I again told Fontaine to leave, because she was now hindering our investigation but this command went unheeded. A short time later, Fontaine approached Officer Juckett, who was seated in the front seat of his marked patrol vehicle, ascertaining information for our investigation. I observed as Fontaine was extremely close to Officer Juckett, and refused to obey his commands to step back. Due to Fontaine's behavior, and her lack of obedience to the now implemented trespass order, she was taken into custody by Officer Juckett without. Fontaine was secured in the rear of Car 207, and at the conclusion of my investigation, I transported her to the Main Station for processing, while in a convoy with Cruiser 209, Officer Levasseur (Car 206) and Officer Ballou (Car 205).

On 9/5/18 at approximately 1300 hrs Ofc Malloy and I responded to Roosevelt Ave at Main St to meet with Ofc D Dolan who had a female in custody. Upon our arrival we took custody of Alisha Fontaine. Alisha was heavily intoxicated, had urinated herself, and slipped out from her handcuffs while secured in the rear of Ofc Dolan's police vehicle. We removed Alisha from the vehicle and re-applied handcuffs and brought her into the rear of our police vehicle. She refused to enter and wedged herself outside the door frame with her left foot. We were able to pick her up and push her into the vehicle and secure the door. Officers on scene checked the immediate vicinity for her footwear which she stated was nearby. While she was secured in the rear of the vehicle, I heard loud screaming coming from the vehicle and it started rocking. I heard the sound of banging and the female screaming "I'm gonna fuck up your car!". I opened the door to see that she had slid to the other side of the vehicle and was slamming her head against the window. In order to prevent her from harming herself and from damaging any equipment, I applied a quick burst of pepper spray to her face. The spray had the desired effect and her violent behavior subsided. We transported Alisha to headquarters where we were met by Sgt Pickett in cell block. Inspector Maria Cruz conducted a search of the prisoner. Alisha was

given a clean shirt and provided access to the water fountain in her cell to decontaminate from the spray. She was not processed. I completed a subject aggression resistance form.

Title: NARRATIVE FOR PATROL DANIEL W DOLAN JR - DAN

Date Entered: 09/05/2018

Author: DOLAN JR - DAN, DANIEL W

Approving Officer: PICKETT, ROBERT J, 2nd

On 9/5/18, at approximately 1300hrs, I, Officer Dan Dolan(107), along with Officers Leach(105), and Pichardo(103), responded to the Pawtucket visitor center at 175 Roosevelt Ave. for the report of an intoxicated female being combative with Pawtucket Fire Rescue workers. Upon my arrival, I observed a female known to me as Alisha Fontaine, verbally arguing with Firefighters. Fontaine had no shoes on, was slurring her speech, and appeared to have urinated herself. I spoke with Firefighters, who informed me that Fontaine had been intoxicated the morning prior (9/4/18), and was transported to Miriam Hospital, but that she had assaulted one of them during the transport. They requested that I attempt to speak with her, and convince her to be transported willingly. I approached Fontaine, who became immediately beligerant. She stated "I'm not going anywhere without my boyfriend nigga!" She then sat on the stone wall and refused to move. She was informed that she did not need to shout and instructed to lower her voice. She continued behaving erratically, fluxuating between attempting to whisper in my ear, and screaming at me and other Officers, not to touch her. She eventually stood up and began walking to the Rescue. As she did so Officer Leach and I each held onto one of her arms to ensure she did not fall. She continued to pull and walk away, while shouting. At that time we were positioned in front of the bus stop where approximately 10-12 bystanders gathered around. I overheard them stating, "just take her to jail". We continued our attempt to transport Fontaine, who walked into the Rescue, but refused to sit on the stretcher. She sat in the Firefighters seat kicked her feet up on the medical supply cabinet, and stated, "fuck you nigga, I ain't moving". She then stood up and attempted to jump out of the Rescue, while screaming and attempting to strike myself and Officer Leach with her feet. At that time, I placed Fontaine into handcuffs, and placed her in the rear of my car. She informed me that she had broken both of her thumbs, and was able to remove the handcuffs, and would break the windows, "like I did the last time, and you bitches charged me with vandalism". Sgt Correia and Officer Malloy

(109) arrived on scene, and took custody of Fontaine, and ultimately transported her to Pawtucket Police HQ for processing.

Title: NARRATIVE FOR PATROL MATTHEW MELLO

Date Entered: 09/05/2018

Author: MELLO, MATTHEW

Approving Officer: LAFOREST, RICHARD A, Jr

On Wednesday, September 5, 2018 at approximately 2100 hours, I, Officer Mello (Car 207) was conducting a direct patrol of 12 Nickerson St. in my marked Pawtucket Patrol vehicle. At this time, my attention was drawn to a male and female I know from previous police contacts as and Derek Malone. My attention was drawn to the two due to Malone's loud

boisterous tone toward: inquiring about money. I heard reply numerous times "get away from me Derek!" It is also of note that I had seen Malone coming and going from the front entry way of 12 Nickerson St. numerous times. This residence is widely known to be a haven for drugs sales and consumption, as well as prostitution and violent offense. I approached the two and met with an intoxicated Malone who was swaying from side to side, had watery and bloodshot eyes, and spoke with a heavy tongue. Malone stated that he had given \$15, and that she would not give it back to him. I inquired why he had given her money and he stated "she's a crack head named Kristen, you know why." I asked Malone to elaborate, and in so many words he explained that he was looking to pay for sexual favors. While speaking with Malone, I noticed that his state of agitation would heighten and I had to tell him to calm down numerous times. Malone would become very proper while speaking with me, and then quickly change his attitude and tone. He again was advised several more times to remain calm, and speak softly as I had noticed the neighbor across from 12 Nickerson St. was now watching, as well as who was sitting on the front steps of the aforementioned residence previously minding his business. Malone initially told me that he wanted my help in retrieving his money, and quickly changed his story, citing that he could handle it himself. I attempted to speak with who was now no where in sight. Given

Malone's unwillingness to speak with me, as well as his uncooperative nature in completing a formal police report, Malone was released from the scene without incident or charges. Malone began walking south on Nickerson St., towards Broad St. I subsequently re-positioned my marked patrol vehicle into the parking lot of 12 Nickerson St. Approximately 15 minutes later, from an open drivers side window, I heard a commotion of a male and female arguing from south of my location. I exited my patrol vehicle and observed as Malone was being confrontational with a female I immediately identified as as well as an unidentified male. I heard Harrison tell her male companion to just walk away from Malone, continuously stating "he's drunk." As I neared the group, I also observed as looked at Malone's unruly behavior in disbelief. I observed as Malone was now walking directly towards the unidentified male in a menacing way, and appeared as though he was going to strike him. I approached Malone, and at this time and the unidentified male walked north on Nickerson St., while Soumah walked south, away from the commotion. I attempted to ascertain what had transpired, and why Malone was confronting the male and female. Malone bladed his stance and began to ball his fist, stating that the group that had just walked away had something to do with his stolen \$15. Due to Malone's intoxicated state, and his pre-fight indicators, I attempted to calm him down. I observed as he no longer appeared physically agitated, but continued to make remarks about "street justice" in a loud boisterous tone. I advised Malone away from this train of thought, but he continued to pace around and gather the attention of onlookers both on the street and door steps due to his loud ranting about the money. Upon the arrival of Officers Torres and D. Dolan (Cruiser 209), Malone was taken into custody without incident for his unruly behavior, attempted assault of the unidentified male, as well as his unwillingness to listen to my commands when told to leave the area. He was secured in the rear of Cruiser 209, and ultimately transported to the Main Station for processing. I attempted to speak with Harrison and her unidentified companion, but both parties had left the area.

On Tuesday, October 30, 2018 at approximately 1845 hours, I, Officer Mello (Car 207) was conducting routine patrol in my marked Pawtucket Police patrol vehicle.

While traveling south on Hawes St. approaching the intersection of Nickerson St., my attention was drawn to a blue 2003 Honda Civic bearing RI Passenger TZ-691. The vehicle was traveling west on Nickerson St. and turned left onto Hawes St. without utilizing a directional signal. It is of note that I observed this vehicle minutes before parked across from 12 Nickerson St. As I passed by the vehicle, I observed three male occupants seated inside, the vehicle was running, and the lights were off. Furthermore, I am familiar with the residence and immediate area of 12 Nickerson St. and know it to be a haven for illegal narcotics and prostitution violations.

I was able to position my patrol vehicle directly behind the vehicle and due to the observed traffic violation, I activated my overhead emergency lights and siren and conducted a traffic stop in the parking of the CVS Pharmacy (309 Broad St.). I approached from the drivers side of the vehicle, and met with the operator, Christopher Wisowaty and his front seat passenger apprised them my reason for the traffic stop and requested Wisowaty's license, registration, and proof of insurance.

I conducted an NCIC/RILETS query of Wisowaty's Connecticut Drivers License (OLN #038504615), which returned suspended. This proved to be Wisowaty's first offense for driving with a suspended license. He was issued a Sixth District Court Summons to Appear on 11/14/2018 at 0900 for Driving with a Suspended License- 1st Offense (RIGL 31-11-18/1) and was provided with a copy for his records, and signed the department copy. Wisowaty was also issued Citation #18408507559 for Turn Signal Required (RIGL 31-16-5) and assigned a Municipal Court date of 12/7/2018 at 0900 hours. I captured a digital image of Wisowaty, which was forwarded with this report, and he was released from the scene without incident.

On 11.8.2018 at approximately 1430 hrs., I was working with Special Squad in an undercover capacity in the area of Broad St. in order to target the issue of prostitution in the area.

While standing at the corner of Broad St. at the intersection of Nickerson St., a male later identified as Martin Landinez drove by me several times in a Toyota Corolla bearing RI reg. KK892. Landinez drove by me again heading southbound on Broad St., made eye contact with me and then pointed to the corner of Broad St. and Barton St. I observed Landinez pull his vehicle to the side of the road at the intersection and then back his vehicle up and park his vehicle. I met with Landinez, who then asked me in Spanish what I was doing. Landinez continuously asked in Spanish, "why is such a pretty girl out here standing around?" Landinez then asked me in Spanish how much I charged for oral sex or regular sex. I told Landinez in Spanish that I would charge \$20.00 for oral sex and \$40.00 for regular sex. Landinez asked me in Spanish if those were the prices with condoms and whether I would have sex with him without using a condom and whether the cost would increase. I advised Landinez to meet me around the block. Landinez was then taken into custody by members of the Special Squad.

On 11/08/18, at approx. 1500 hours, I was working with Special Squad Detectives in an undercover capacity in the area of Broad St. to target the issue of prostitution.

While walking on Broad St., between Nickerson St. and Barton St. a vehicle (2005 silver Chevrolet Trailblazer, bearing RI reg. 338528) pulled over to the side of the road and the occupant, later identified as Carlos Bergollo, waved me towards him. I then went over to the passenger side of the vehicle and he put his window down and told me to get inside. I asked him what he wanted and he said he wanted a "blowie" and he offered to pay me twenty dollars. I pointed to the parking lot of CVS on the Pawtucket side and told Bergollo to meet me over there. He was then taken into custody by members of Special Squad.
